

for a **NEW** book!

**Oct. 18-26** is **Add-A-Book** in the OLS School library\*

*\*moved from Feb. to Oct. this year!*

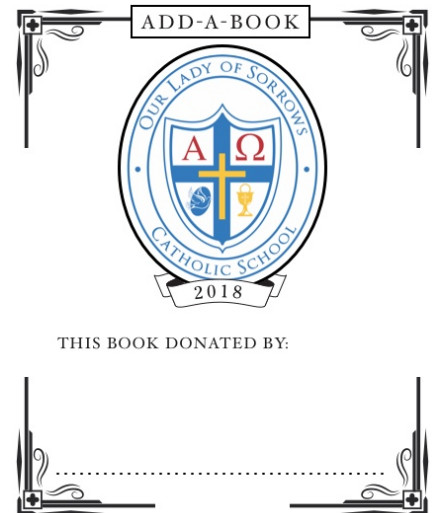

**How it works:**

1. **Oct. 18-19:** families may peruse choices in library (P/T conferences).
2. Parent completes **permission** slip (see below) and attaches **payment**.
3. **Oct. 22-26:** Student brings slip with payment to library (unless added Oct. 18-19) and student **chooses** a NEW BOOK to ADD to our library.
4. New book is added to library catalog with student's **bookplate** (details on permission slip below) THEN...
5. The NEW library BOOK is **checked out to the donor student FIRST!**

New book choices cost **\$15 or \$20** (depends on book)  
because 98% of the bindings are guaranteed by library vendors.

**Thank you for FALLING for new books!**
