

Show your OLS Library some love.

# Add A Book Feb. 8 – 11, 2016

### How it works:

- Student **returns** the form + payment to the library. (see below)
- Classes **visit** the library during a scheduled time that week.
- Students with forms **choose** from a wide variety of **new books**, which have guaranteed bindings from our library vendors and are selected to enhance our current collection.
- Book is **processed** including a bookplate with student's name.
- **Your student is the first to checkout that new book!**
- Please allow at least one week post-selection for processing.
- (This is the new Bookabration!)

### Book prices are \$20 for most, with some at \$15.

Add-A-Books can also be *In Honor* or *In Memory* of someone (not both).

If you would like for your student(s) to add a new book to our library, please complete the form below with payment and have your student bring it to the library by Feb. 8.

**Thank you for loving your school library! **
